

to discuss matters from a recent letter to the Society from the Parish Council. They drew the following matters to the Council;

- Asbestos guttering needs replacing and specialist disposal. TVMRS were willing to pay for replacement guttering.
- A longer lease for 10 years+ would enable TVMRS to apply for grants from the National Lottery.
- Concerns were raised with respect to the increase in rent and the timescale.
- A few concerns were expressed with respect to some of the details of the lease.
- Introduction of the rent increases over a longer term.
