Re flooding at Little Hay Lane, Weeford

Dear Sir/Madam

In recent times Members of the Parish Council have been made aware of flooding at Little Hay Lane at the junction at the A38.

It would appear that water is coming from the quarry as run off from the quarry.

Members would be grateful if you could investigate the matter and if possible rectify the situation.

Thank you in anticipation.

Yours faithfully,

M.A. WARFIELD. (CLERK TO THE COUNCIL)
